Tree Warden

To the Citizens of the Town of Ware:

This is my 18th report as Tree Warden for the Town of Ware.

The Gypsy Moth program under State Supervisor Mr. Grover Twiss of Granby has proved to be quite satisfactory. By using creosote for painting egg clusters and by using a D.D.T. solution for spraying, we have not had any serious strippings.

This year we have had 32 cases of Dutch Elm disease. All of these were cut and burned as is required by law. While there are no state foresters who do sampling for us, the University of Massachusetts Laboratory has done the checking on all specimens sent in to them. According to the last group sent, some of which have not been returned as yet, there are two trees located near Memorial Field and five in West Ware which have Dutch Elm.

The Shade Tree program saw the removal of many rotted trees, the trimming of all branches which were troublesome, one spraying with a D.D.T. solution, and several emergency calls following storms. This year the tank on the sprayer will have to be renewed or no spraying can be done.

For Brush Cutting, I've submitted to the Appropriations Committee a request that a mower be purchased. The cost for this is \$2845. By using a mower, once a road is hand cut and cleared, you could go over the same road every year and keep it in good condition. As it is, it is impossible to do any road two years in succession, and this makes for harder cutting and unsatisfactory roadside conditions. I have asked for this mower before and again I recommend its purchase.

Respectfully submitted,

Theophane E. Gervais

Tree Warden

Fire Department

REPORT OF THE CHIEF AND FOREST FIRE WARDEN

To the Citizens of the Town of Ware, Mass.

The following is my report of the conditions and doings of the Fire Department during the year 1951.

The force of the Department consists of a Chief, two Deputies, 28 Call Firemen and five Permanent Men.

The Department answered to 91 calls for the following reasons: Residential 34, Non-Residential 3, Mercantile 3, Manufacturing 6, Miscellaneous 1, Grass 22, Other Fires 18, False 3, Smoke Scare 1.

FIRE LOSS FOR THE YEAR

Assessed Valuation of Buildings	\$97,550.00
Estimated Loss	5,748.00
Insurance on Buildings	93,000.00
Insurance Paid	5,748.00
Value of Contents	71,000.00
Insurance on Contents	13,000.00
Loss	1,550.00
Insurance Paid	1,500.49

PERMITS ISSUED IN 1951

Power Oil Burner Installations	77
Range Oil Burner Installations	70
Space Heaters	7
Hot Water Heaters	1
7 Gasoline Licenses inspected for a total of 6,390 gallons,	
1 Blasting and 12 for liquefied Petroleum Gases.	

FOREST FIRE DEPARTMENT

Call from Fire Tower	10
Local Telephone Exchange	12
Calls at Fire Station	1
Open Air Fire Permits	888

APPROPRIATIONS and EXPENDITURES

	Appropriation	Expended	Balance
Operating Expense	\$4,000.00	\$3,339.99	\$660.01
Drivers	14,820.00	14,820.00	
Forest Fire	1,200.00	32.30	1,167.70
Officer's Salaries	2,870.00	2,870.00	
Firemen's Salaries	4,125.00	3,602.09	522.91
New Equipment	750.00	747.50	2.50
Hydrant Rental	1,200.00	1,200.00

Radio	3,400.00	3,178.82	221.18
	<hr/>	<hr/>	<hr/>
	\$32,615.00	\$30,040.70	\$2,574.30

RECOMMENDATIONS FOR THE YEAR 1952

Officer's Salaries	\$2,870.00
Firemen's Salaries	4,125.00
Forest Fire (Labor)	1,200.00
Hydrant Rental	1,200.00
Operating Expense	4,000.00
Permanent Men	14,820.00
Equipment	800.00
Auto Expense (Chief)	250.00
	<hr/>
	\$29,265.00

That the Town appropriate \$18,000.00 for the purchase of a 750 gallon Pumper to replace the American LaFrance and the G.M.C. Hose Truck.

That one more Permanent man be added to the Force so as to have three men on duty at all times.

That \$750.00 be appropriated for the purchase of an Air Compressor.

Due to the increase of cost of living, the Permanent Men have filed a request for a raise in salary to \$65.00 per week.

That a Two-Way Radio be purchased and installed on the Mack Pumper at a cost of \$625.00.

During the past year the Two-Way Radio was installed and has proved a valuable asset to both the Fire and Police Departments. I hope in time with the approval of the Townspeople to have all the Fire Trucks equipped so that we may be in contact with them at all times. The Sprinkler System in the Radio Station W-A-R-E and the Quabbin Book Shop has been connected with the Fire Station so that now we give the J. T. Wood Co., Radio Station and Book Shop sprinkler supervision 24 hours a day.

I wish to thank the Board of Selectmen, the members of the Fire and Police Departments, the Press and Radio Station W-A-R-E for their cooperation during the past year.

Respectfully submitted,

Theodore A. Deslauriers

Yours truly,

Stephen A. Pilch

Chief of Police

Inspector of Animals

December 31, 1951

Ware, Mass.

Board of Selectmen

Gentlemen:

I am submitting the following report as Inspector of Animals.

Visited 71 barns and inspected 1138 head of cattle and 26 horses.

I also identified 336 head of cattle, which were brought here from other states and Canada.

There were 8 dog bite cases to quarantine.

Respectfully submitted,

Stanley J. Chrabaszcz

Inspector of Animals

Licensing Agent

December 31, 1951

To the Honorable Board of Selectmen:

Henry L. Richard

Sealer of Weights and Measures

Department of Public Welfare

To the Board of Selectmen and Public Welfare

Ware, Massachusetts

Gentlemen:

Herewith, find the Annual Report ending December 31, 1951, for the Welfare Department of the Town of Ware, Mass.

We wish to thank Miss Bridget Wilkes, School Nurse, Miss Bertha Hine, Visiting Nurse, Mrs. Katherine Spillane, Red Cross Secretary, Mr. Stephen Pilch, Chief of Police, Police Officers, and Mr. Normand Lanier, Veterans' Service Agent for their help to us during the past year.

During 1951 we aided 29 cases with a total of 75 persons in Ware and 10 cases with a total of 22 persons out of Ware. We "screened" the people at the Infirmary for Old Age and Survivor's Insurance and found 4 eligible to receive such benefits. This money is turned back to the town toward payment for care.

The appropriation for General Relief was not sufficient for the year and it was necessary to request additional funds. An amount to cover the expenditures was transferred from the Reserve Fund.

The only legislation for which effected General Relief was G. R. 118D, Acts of 1951, which set up a new category relief known as Disability Assistance. This law was passed October 30, 1951 as an emergency law and became effective November 1, 1951. It was designed to care for persons age 18 years and over who are "Permanently and Totally Disabled".

Inasmuch as the meaning of "permanently and totally disabled" has a wide scope, it could include the majority of cases now receiving General Relief after proper investigation. However, this will take some little time, as a Medical Report of the Examining Physician must be submitted on each person making application to a Medical Review Team in the State Department of Public Welfare for approval or disapproval, physically.

The new law provides reimbursement from Federal-State in the amount of 75%. We have no knowledge as to when we might expect a return of such funds.

Under General Relief for 1952, we still have expenses for operation of the Infirmary, out of Ware cases not eligible for Disability Assistance, intermittent Ware cases, and Ware cases not eligible for Disability Assistance.

At the present time we are carrying seven cases on Disability Assistance, six of which were transferred from General Relief. As we have had but one 'relief roll' in this new category we cannot use the amount as criterion for 1952.

Our requests for Disability Assistance and General Relief are as follows:

DISABILITY ASSISTANCE:

Twenty-five (25) persons for 12

OLD AGE ASSISTANCE

During 1951, 209 persons received Old Age Assistance. The year began with 182 cases and ended with 183 cases and 1 case pending. The average caseload for the year was 187 cases per month. The greatest number in any one month was 191 cases.

In September 1951, an increase in the cost of living index as reported by the Division of the Necessaries of Life to the Department brought about an increase of 5.9% in the budgetary needs of recipients of Aid to Dependent Children and Old Age Assistance.

Our appropriation would not have been sufficient to carry through the year, but the State Department advanced about 90% of our Federal Reimbursement for the months of November and December, which covered any deficit we might have had and left a surplus. However, the surplus is being reserved to take care of a return to

the Federal and State on Recoveries of Assistance made during the year.

There is another amendment to the Old Age Assistance law which becomes effective on January 1, 1952. This is Chapter 801, Acts of 1951, approved November 17, 1951.

It provides a minimum of \$75.00 monthly to an individual living outside a family group and a minimum of \$55.00 monthly to any other person. With \$4.00 added to each as Leisure Time Activity, these grants appear as \$79.00 and \$59.00, respectively.

The measure also provides for increases in the exemptions of single and married children in computing earnings to determine liability for the support of parents in Old Age Assistance. It also provides new rulings relative to ownership of property and insurance on which we have had no instructions or interpretations, as yet.

The average increase would appear to be about \$6.10 per case per month. Our average for 1951 for 187 cases was approximately \$62.00 per case per month. Therefore we are requesting the following for Old Age Assistance for 1952:

CASE WORK:

AID TO DEPENDENT CHILDREN

We started the year with 12 cases and 24 children and ended the year with 12 cases and 24 children. During the year we aided 17 parents and 37 children. While we started and ended the year with the same caseload, the cases closed were not all of those we opened.

We have two cases in which husbands are contributing to support of their families.

No legislation was passed to effect this category other the 5.9% increase in budgetary needs.

Because of the fact that for two years or more the amount of this type of aid increased about \$5.00 we are not asking for any increase over last year's request. We have a surplus in Federal Funds which is comparable with the amount we had left in 1950 which we can use

and estimate our Federal Grants as we have previously done.

Our requests for Aid to Dependent Children are as follows:

Case Work	\$13,000.00
Estimated Federal Grants	5,000.00
	<hr/>
Total	\$8,000.00

We are making no request for any amount for salaries and administration.

Veterans' Service Department

Director's Report

January 10, 1952

The Board of Selectmen

Town of Ware

Gentlemen:

I hereby submit an account of the expenditures of the Veteran's Service and the Veteran's Benefits Department during the year ending December 31, 1951, and request funds to continue the services of these departments for the year 1952.

The work involved in the Veterans' Service Department during 1951 decreased somewhat, due to the fact that the educational benefits for veterans expired on July 25, 1951, and because most veterans have adjusted their National Service Life Insurance, making fewer applications for renewal or conversion. There also seems to be a downward trend in applications for hospitalization, medical or dental treatment, and other benefits which are due to a veteran or his dependents.

With regard to the Veterans' Benefits Department, applications for financial assistance increased during 1951, and are expected to increase in the future. The number of cases investigated and aided, wholly or partially throughout the past year amounted to 33 families of which 48 were adults and 31 were children.

Due to the increase in applications for financial assistance, it was necessary to request a transfer of funds in order to meet the increased costs of Veterans' Benefits. In comparison to medical costs during 1950, there was a sharp increase of medical cases during 1951, thereby adding greatly to the maintenance of this department. State-allowed budgets for cost of living expenses also increased during 1951, as did expenses for photo-static supplies and office supplies.

During 1951, this Agent has done everything possible to keep the expenses of this department at a minimum, without impairing the service rendered. The department has been conducted evenings and Saturday mornings in order to render the best possible service.

At this time I would like to extend my sincere thanks to the Board of Selectmen, to other town officials, to Mrs. Agnes Carroll and her staff of the Welfare Department, and to Mrs. Katherine Spillane, of the local Red Cross Chapter, for the very valuable assistance and cooperation given me throughout the past year.

Respectfully submitted,

Normand E. Lanier,

Director and Veterans' Agent

Normand E. Lanier,

Director and Veterans' Agent

Board of Health

December 31, 1951

To the Taxpayers of Ware:

In our report to you last year we mentioned the fact that in 1951 a Rat Control Program in the business district would be instituted, in the spring 160 questionnaires were mailed out to the various business establishments.

It is discouraging to note that of this number only 10 places were interested enough to fill out and return their questionnaire. It was therefor a vote of the board to drop plans for further work on this project.

The Town Dump was moved last February from the Morin farm after many protests of the smoke nuisance, to the Banas Farm on Robbins Road, there were very few complaints received by the Board of Health this year, by a vote of the townspeople at their regular Town meeting in February, it was voted that the Town Dump after January 1, 1952 be under the supervision of the Highway Department, and not under the Board of Health.

Sincerely yours,

John E. McQuaid

Odilon L. Desforages

INSPECTOR OF CARCASSES

January 7, 1952

To the Ware Board of Health:
Gentlemen:

Having been appointed by your board and the State Board of Animal Husbandry as inspector of slaughtering in the town of Ware for the year ending January 1, 1951, I submit my report as follows:

Year of 1951	Cattle	Hogs	Calves
Total	14	72	18

Respectfully yours,

Alfred J. Piche

Inspector of Carcasses

PLUMBING INSPECTOR

January 10, 1952

To the Board of Health
Ware, Mass.

Gentlemen:

I wish to submit my report as Plumbing Inspector for the year 1951:

There were issued 135 permits, all of which complied with the plumbing regulations of the town of Ware.

Installed 60 Toilet Combinations, 53 Lavatories, 10 Showers, 6 Laundry Trays, 1 Sink and Tray, 3 Kitchen Combination Cabinet and Sink, 1 Dishwasher, 41 Kitchen Sinks, 37 Bathtubs, 20 Automatic Gas Water Heaters, 1 Stabilizer, 9 Automatic Electric Washers, 3 Hot Water Boilers for Ranges, 2 Garbage Disposals, 4 Tankless Hot Water Heaters, 1 Gas Stack Heater, 7 Drains, 3 Hot Water Coils, 1 Hot Water Storage Tank, 16 Stacks, 5 Septic Tanks, 1 Set Tub, 2 Galv. Range Boilers, 1 Film Developer and Sink, 1 Electric Hot Water Heater, 3 3-compartment Stainless Steel Sinks, 1 Scullery Sink, 2 Laundry Trays, 1 Drinking Fountain.

I wish to thank the Plumbers of the Town of Ware for their cooperation.

Respectfully submitted,

Fortuna F. Fournier

AGENT AND SANITARY INSPECTOR

December 31, 1951

To the Board of Health
Ware, Mass.

The following is my annual report as Sanitary Inspector for the Town of Ware for the year 1951.

Complaints investigated and disposed of	57
Yards investigated	335
Dog bites	7
Mumps	37
Chicken Pox	10
Mumps emuphatitis	1
Measles	4
Scarlet fever	1
Whooping cough	4

Respectfully yours,

Antonio L. Poulin

Sanitary Inspector

SCHOOL PHYSICIANS' REPORTS

January 7, 1952

Board of Public Health
Town Hall
Ware, Massachusetts

Gentlemen:

The periodic medical examination of children attending Mount Carmel School was made on December 14, 1951. The results of the examination are as follows:

Requiring Dental care	46 students
Hypertrophic tonsils	18 students
Moderately enlarged tonsils	17 students
Cerumen in ears	45 students

Respectfully submitted,

Roland N. Tessier, M. D.

January 8, 1952

Board of Health

Ware, Mass.

Dear Sirs:

I respectfully submit my report as physician to the St. Mary's School. I have examined all the pupils and the report of examination is as follows:

35 pupils with defective teeth.
50 pupils with defective tonsils.
2 pupils with otitis media.
14 pupils with enlarged tonsils.
11 pupils with rhinitis.
11 pupils with wax in ears.
1 pupil with poor posture.
1 pupil with diseased heart.
2 pupils with dermatitis. Non contagious.

Respectively yours,

Joseph V. Kowalski, M. D.

School children	53
Booster dose	8

DENTAL CLINIC

No. of pupils attended Dental Clinic	122
No. of Fillings	103
No. of Extractions	17

Dr. George Burgiel, D. D. S.

Bridget Wilkes, R. N.

INSPECTOR OF MILK AND FOOD

December 31, 1951

To the Board of Health

Gentlemen:

The following is my eighteenth report as Inspector of Milk and Food for the Town of Ware:

Dairy Inspections:

Hardwick	6
Palmer	7
Bondsville	1
Spencer	2
Warren	1
Brookfield	1
Ware	14
<hr/>	
Total	32

Milk Dealers Licenses Issued	13
Storekeepers Licenses Issued	45
Oleomargarine Registration	21
Sample of Milk Collected from Vehicles	295
Standard Methods of Plate Counts for Bacteria	295
License Fees Paid to Town Treasurer	\$39.50

Summary of Milk Bacteriological Counts

No. of samples with 10,000 and under	97
No. of Samples with 10,000 to 20,000	58
No. of Samples with 20,000 to 50,000	74
No. of Samples with 50,000 to 100,000	28
No. of Samples with 100,000 to 200,000	20
No. of Samples with 200,000 to 400,000	10
No. of Samples over 400,000	8
The yearly average on Butterfat of milk	3.85
The yearly average on Bacteria Samples from all farms combined	38,200

Restaurant Sanitation

There were 65 Inspections in regards to compliance of regulations for Sanitation and Sterilization. Swab Tests of glassware for Bacteria Counts were 80.

There were 29 Tests with counts of over 500 per C.C. which is an unsatisfactory rating, most of these tests were repeat or correction tests. It is pleasing to note that 4 business places installed 3 compartment sinks, having discarded their old sinks in order to properly sterilize their drinking utensils and protect their customers' health. They are to be commended for their action.

After each test for Bacteriological counts are taken, cards are then given to the owner informing him of his result and asking him to post it where his customers may see it at all times, but many times when his counts are high he hides it, until a recheck has been made. Customers should ask the business place where his card is and know his count.

The owner of a business establishment should be proud to post his card when he is endeavoring to safeguard his customers' health, and the one who has the I don't care attitude should be found out.

I wish to thank the board for their kind cooperation, in having hearings for the ones who have repeated violations of high counts, with a warning that it may mean the suspension of their Common Victuallers License.

Sincerely yours,

Henry L. Richard

Milk and Food Inspector

Insurance Committee

To the Inhabitants of Ware:

The fire insurance rates on municipal property were reduced in 1951, and as a result the town was reimbursed over \$1000.

The schedule of town property was amended by the elimination of the Old South Street School Building and the Memorial Building on Maple Street.

The repairs on the New South Street School Building will necessitate additional insurance, the amount to be determined when a reappraisal is made by the engineer for the insurance company.

We recommend that the committee be continued for another year.

Arthur L. Davis, Chairman

Anna B. Cebula, Secretary

C. Henry Leahan

Cemetery Department

To the Citizens of the Town of Ware:

The Cemetery Commissioners call your attention to the report of the Superintendent of the department for detail statement of the receipts and expenditures for the year 1951.

Merrill S. Howard

George O. Packard

Fred S. Conkey

Highway Department

To the Citizens of the Town of Ware —

Seventh annual report follows:

Recommend the following:

Reshape and resurface North Street from Walnut Street to Granville Cummings.

Town Barn and sheds are in very poor shape. Renewal program should be started at once. Exchange one truck and one tractor-loader for newer models. Repair and build new sidewalks.

Pleased and grateful to all our employees also other town departments, whose ability, experience and continued loyalty have enabled me to complete a successful year of operation.

Respectfully submitted,

Antonio L. Roy

Highway Surveyor

School Committee Report

January 15, 1952

The Citizens of Ware:

We offer to you mothers and fathers of our school children an humble apology for again having to revert to double sessions. Knowing what it means to your home life and to the students themselves, we of the school committee hope and pray that it will not be necessary to repeat another such year.

The year 1951 had its trials and tribulations. One very serious condition was averted early in the year. It was the idea of retaining instead of revising curricula. Students have a chance to choose courses.

The Registry of Motor Vehicles stressed the continuance of Driver Education. This course was again a success through the cooperation of the local Ford Agency.

The Guidance Program is again in the forefront after being temporarily eliminated.

During the course of the year more than a score of teachers or school personnel either retired or resigned. The teachers, Miss Sadie Irwin and Miss Mary Dugan, and the secretary to the superintendent, Mrs. Marion Antaya, a combined total of 120 years in the Ware School System. We are very grateful for their meritorious service and sacrifice. God bless them for it.

Perhaps the biggest blow was the resignation of Supt. Edwin A. Cox. His contribution to our School System may never be fully realized; but we can say he never shirked his duty or slacked his pace to improve our educational program. He is one of our nation's leading educators. Ware's loss is Franklin's gain.

Mr. Carl Peterson very admirably filled the vacancy as superintendent in the interim. His was a trying situation; for during his short term of office special legislation was enacted to make possible the long sought dissolution of the Ware-Belchertown Union.

Immediately following the vote of the Townspeople to dissolve the Union school committee adjourned to their offices and proceeded to appoint Robert L. Fox as superintendent of our School System. We of the School Committee at this time pledged ourselves that we will do all in our power to make Mr. Fox's work as easy as possible for him: that we shall at all times consider his recommendations and that the committee shall work hand in hand with him to develop a modern school system of which the town can be proud.

We, members of the Ware School Committee, want to express to the members of the Belchertown School Committee appreciation for the fine and cooperative manner all our Union problems were met and acted upon throughout the years of the Union.

In closing we would like to make only one comment relative to the 1952 budget. By staying on a salary scale we were able to reduce the proposed teachers salaries by a sum of \$2,600.00.

Respectfully yours,

Matthew W. Kierys, Chairman

Bernard Wilson

Report of School Superintendent

January 2, 1952

Members of the School Committee

Ware, Massachusetts

Gentlemen :

It is with pleasure that I submit my first annual report of the Ware Public Schools.

There has developed in our community during the last few years an unusual public interest in schools. Regardless of the situation at any particular period, this awakening to the problems confronting education in Ware

must eventually be beneficial. For all of us have a stake in the project. Some have children in the schools; others and sometimes in addition are called upon to assume a large share of the financial requirements; all of us desire that the boys and girls of our town shall have the advantages of the best education that it is in our common power to provide. It is for those who are directly responsible for the administration of the schools to evaluate the situation, to state the most pressing problems clearly, to indicate objectives and thus, perhaps, in this time of duress to offer leadership in the chaos of honest but conflicting opinions.

School Housing

The problem of housing the school children of Ware properly has been a source of speculation and debate for nearly three decades. Now, at last, the situation is so well known and is being considered so widely that there is reason to believe that an adequate solution will eventually develop. However, I believe that a proper approach to any building operations must include a survey of the needs of the future, for whatever evolves from the co-operative effort should not be temporary in nature.

The birth rate in town showed a marked increase during the years of 1946-1947 and 1948, and although it has shown a tendency to retreat, it is still relatively high. It is generally known that a child is allowed to enter the first grade of the public schools at the age of 5½ years.

Hence a child born between March 1, 1945 and March 1, 1946 who is still living in Ware was eligible to enroll in the first grade last September. The following data indicates within reasonable limits the numbers we may expect to enter in the next five years considering the birth rate of the past five years and the proportion of those born in Ware who have, in the past, enrolled in the year of eligibility. The first item is included for comparison.

Births			Enrollment in First Grade	
Mar. 1, 1945 — Mar. 1, 1946	104		Entered school Sept., 1951	65
			Expected Enrollment:	
Mar. 1, 1946 — Mar. 1, 1947	177		September, 1952	111
Mar. 1, 1947 — Mar. 1, 1948	171		" 1953	107
Mar. 1, 1948 — Mar. 1, 1949	146		" 1954	91
Mar. 1, 1949 — Mar. 1, 1950	147		" 1955	92
Mar. 1, 1950 — Mar. 1, 1951	140		" 1956	88

This means that it will be necessary to have three first grade rooms next year, and there is a strong possibility that in six years there will have to be six extra classrooms, one for each grade. Obviously, eighteen classrooms will be required for the first six grades. Twelve of these rooms will be available when renovation of the New South Street Building has been completed. A committee is, at present, investigating the possibility of a site on the North side of town. We shall need a new building soon.

This wave of enrollment will begin affecting the high school in September of 1960. We must remember that about one-third of the members of the Freshman class each year are graduates of the parochial schools. These pupils more than compensate for any loss in numbers experienced by the public schools in the first eight grades. Consequently we can look forward to a high school of more than 400 members in ten or twelve years. At that time the seventh and eighth grades which now total about 130 will have swelled to a combined enrollment of about 170. In the entire Church Street plant there are but sixteen classrooms. Placing the maximum of thirty in each classroom, and some rooms won't seat that many, there is classroom capacity for 480 pupils. It is clear that the present facilities will eventually be inadequate. However there is some time for consideration of this matter. It is not as pressing as the grade school question.

Vocational Education

There was a time when many of us thought that Ware should institute an extensive vocational department to be connected with the high school. Although the need still exists, other interests have rightfully had priority and, indeed, the demands for training in the trades may be met in another way. Within reasonable distance of our community there are Trade High Schools with facilities and offerings with which no small town could hope to compete. Many of our high school students are unhappy because our curricula are not broad enough to interest them. These have little interest in purely academic work and attend school in some cases until they reach employment age and in other cases, because their

parents wish them to obtain a high school diploma. This is no criticism of these individuals. They are victims of circumstances. Even though the opportunities of city trade schools are brought to their attention and even though many would like to attend, travel is a difficult problem. Parents are rightfully reluctant to allow their children to accept anything but regular, dependable transportation. I hope that the time will come when those desiring to attend trade school will be large enough in number to fill a bus and that the town of Ware will provide such a bus. We will then be conforming in a larger measure to the requirements of "Education for All American Youth".

Personnel Changes

There were many changes in the personnel of the School Department during 1951.

Withdrawals

Miss Sadie Irwin, Retired

Miss Mary Dugan, Retired

Mrs. Marion Antaya, Retired

Resigned to accept position in another system:

Miss Elizabeth Connell

Mr. John Harrington

Miss Cecile Laurin

Mr. Charles Cwirka

Mrs. Angela LeGrand

Mr. Peter Garabedian, Resigned to accept another position.

Mr. Joseph Palano, Resigned to continue his education.

Appointments

Mr. Robert Poirier, French, High School

Mr. Laurence Schmelzinger, English, High School

Mr. Charles Pearce, Science & Guidance, High School

Mr. Henry Trespas, Science, High School

Mr. Melvin Grant, Junior High School

Mr. Edward Germain, Junior High School

Mr. William Rooney, Junior High School

Mr. Stanley Koziol, Junior High School

Miss Eleanor Jordan, Secretary to the School Supt.

I know that I speak for the community when I extend a word of gratitude to Miss Irwin, Miss Dugan and Mrs. Antaya for their long years of unselfish and faithful service.

Evening Practical Arts

The courses in Evening Practical Arts have continued to increase in popularity to such a point that it was necessary to appoint a director this year. Since the interest each year exceeds the offerings planned by the administration it is safe to assume that if the needs of the town are to be met we must continue to expand. It is sincerely hoped that next year the program will include at least one course of interest to men.

Conclusion

It is too soon for the new administration to commit itself definitely to set procedures. Plans for evaluation of the educational standards of our system are in the formative stage. Eventually we would like to know how we compare with systems of other communities through the use of well chosen tests. This testing phase of evaluative work on a twelve grade basis will be under the supervision of the guidance department.

I point with pride to the attitude and the accomplishment of the staff during the emergency of the past year. The transition to a platoon system was achieved smoothly and without interruption of progress or lessening of morale. Rarely, anywhere in recent years have teachers found it necessary to conduct school with such limited facilities. I think, however, that this is merely indicative of the contribution our teachers have been making to the life of the community. It shows their deep and earnest desire to make and keep the schools of Ware good schools.

Respectfully submitted,

Robert L. Fox

Superintendent of Schools

Report of High School Principal

Ware, Massachusetts

January 10, 1952

Mr. Robert L. Fox

Superintendent of Schools

Ware, Massachusetts

Dear Mr. Fox:

Since I have been principal of Ware Senior and Junior High Schools for only seven weeks, this report will be limited to the expression of two hopes and one statement of purpose.

The first hope is that something be done to extend the school offerings to boys who do not take the college course. I believe that you have yourself mentioned this in a report of yours as principal. The girls have household arts or training in office work; a few boys want the latter, but the majority of them, in this industrial town, need manual arts, machine shop work, training in trades. Some step should be taken to meet this definite need.

The second hope is that when the elementary school children no longer use the high school building the school will again have an assembly hall. I will not attempt to state here all the ways in which an assembly hall contributes to the life of a school and the development of its students; sufficient to say that few schools — and, I venture to say, fewer still first-rate ones — do without one.

During my long association with Ware High School an early conviction has been strengthened — that the purpose of a school is the proper development, to fullest, finest capacity, of each prospective citizen the community sends it. It is not easy to measure what is accomplished in this direction by a school. The town can measure and evaluate its material products with little difficulty — its cotton and woolen and paper goods, its hats and boots and shoes. But how measure its most precious product, the proper growth of individuals? Ware High School's contri-

bution here has been tremendous, if not precisely calculable. Methods may fail, emphases shift, material limitations hamper, and human nature play havoc with human purposes; but the traditional purpose of the school remains, and I think it appropriate for me to state that purpose here and to express my intention of furthering it to the best of my ability.

Thanks are due those organizations and individuals whose names appear on the program printed on the following pages as donors of awards at graduation.

I wish to express my appreciation to you, Mr. Fox, to the members of the faculty, and to the student body, whose cooperation has helped me in the task of assuming my new duties as principal.

Respectfully yours,

Everett J. Sullivan

Report of Supervisor of Music

January 13, 1951

Mr. Robert L. Fox

Superintendent of Schools

Ware, Massachusetts

Dear Mr. Fox:

I wish to submit my first report as music supervisor in Ware schools beginning September 1951. We have tried to follow a five-point program recommended by the Massachusetts Department of Education and the Music Educator's National Conference. The program is divided into (1) singing (2) playing (3) rhythm (4) listening and (5) creating.

Singing

A total of 407 grade school pupils are visited once every two weeks on consecutive Fridays. In the Junior High School, 125 pupils have singing once a week on Tuesdays and Thursdays. High School choral groups consist of a Girls Glee Club, Boys Glee Club, Mixed Chorus, and a General Chorus; they meet once a week. To date, these groups have made 11 appearances in public including a half-hour radio broadcast over Station WARE.

Playing

About 120 pupils (figures vary because of drop-outs, sickness, etc.) are receiving formal instrumental instruc-

Town Meeting Warrant

COMMONWEALTH OF MASSACHUSETTS

Hampshire, ss.

To Stephen A. Pilch, one of the Constables of the Town of Ware,

GREETING:

In the name of the Commonwealth of Massachusetts, you are required to notify and warn the Inhabitants of the Town of Ware qualified to vote in the election of town officers and town affairs, to meet at the Town Hall in said Ware, on Monday, the fourth day of February, 1952, at six o'clock in the forenoon at which time the polls will be opened (and they may be closed at eight o'clock in the evening,) then and there to act on the following articles, viz:—

ARTICLE 1. To choose a Moderator to preside at said meeting.

ARTICLE 2. To choose three Selectmen, one Town Treasurer, one Assessor for three years, one member of the School Committee for three years, one Water Commissioner for three years, one Collector of Taxes for one year, one member of the Board of Health for three years, one Park Commissioner for three years, one Cemetery Commissioner for three years, one Tree Warden for one

year, and one member of Playground Committee for three years.

ARTICLE 3. To choose all necessary officers.

ARTICLE 4. To hear the reports of the Selectmen, Board of Public Welfare, Town Treasurer, School Committee, Water Commissioners, Assessors, Board of Health, Cemetery Commissioners, Park Commissioners, Auditors, Highway Surveyor, Town Clerk, Board of Trustees of Soldiers' Memorials, and other town officers, and act thereon.

ARTICLE 5. To hear the reports of Committees and act thereon.

ARTICLE 6. To see if the town will vote to raise and appropriate such sums of money as may be necessary to defray the expenses of the town for the ensuing year.

ARTICLE 7. To see if the town will vote to fix the salary and compensation of all elected officers of the town as provided by Section 108, Chapter 41, General Laws, as amended.

ARTICLE 8. To see if the town will appropriate the dog fund, or take any action relative thereto.

ARTICLE 9. To see if the town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1952 and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, of the General Laws.

ARTICLE 10. To see if the town will vote that the consideration of Article 3 and all subsequent articles in the Warrant except this article be postponed to a later date to be fixed by the meeting and that when the polls are closed the meeting stand adjourned to such date and hour.

ARTICLE 11. To see if the town will appropriate a sum of money from the Parking Meter Fund, for the enforcement and maintenance of parking meters, or take any action relative thereto.

ARTICLE 12. To see if the town will vote to raise and appropriate a sum of money for Band Concerts to be given at the Memorial Bandstand in Grenville Park, this summer, under the supervision of the Board of Selectmen, or take any action relative thereto.

ARTICLE 13. To see if the town will vote to accept the report of the by-law committee and adopt the by-laws in the printed report of said committee, with such changes as the town may vote, and further that all existing by-laws now in effect be repealed and revoked upon the effective date of the by-laws adopted at this meeting, or take any action relative thereto.

ARTICLE 14. To see if the town will vote to continue the Special Committee chosen by the Moderator at the Annual Town Meeting 1948, which was to review recommendations for storm sewers, flood protection program and sewerage disposal, with the same powers given them by vote at the 1951 Annual Town Meeting, or take any action relative thereto.

ARTICLE 15. To see if the town will vote to authorize the Selectmen to appoint 7 citizens to study and recommend the advisability of establishing a Department of Public Works, and to raise and appropriate a sum of money for said committee, or take any action relative thereto.

ARTICLE 16. To see if the town will vote to appropriate from funds on hand and from the Water Department receipts of 1951 for payment of such annual payments and interest as may become due on the notes or bonds issued by the Town of Ware for use of the Water Department in the year 1938 or subsequently.

ARTICLE 17. To see if the town will vote to authorize the incurring of liabilities by the Board of

Water Commissioners for the expenses of the Water Department for maintenance, equipment, engineering, construction, and the purchase of right of way in or over lands, not exceeding forty-five thousand twenty (\$45,020.00) dollars and appropriate the Department's unexpended balance and the receipts of the year therefor, or raise and appropriate any sum of money for such purpose.

ARTICLE 18. To see if the town will vote to raise and appropriate the sum of \$1400., to relocate a sewer of not less than 6" in diameter with 3 manholes on Chestnut Street, from Starodoj property to Elm Street, a distance of approximately 450 feet, or take any action relative thereto.

ARTICLE 19. To see if the town will raise and appropriate the sum of \$5,000., to hire someone to collect ashes, refuse and rubbish, at least once every two weeks in the town of Ware, or take any action relative thereto.

ARTICLE 20. To see if the town will vote to purchase the Theodore DeVirgilis building on the westerly side of North Street in Ware, for a sum not greater than twenty thousand (\$20,000.) dollars or take any action relative thereto.

ARTICLE 21. To see if the town will vote to sell the town scale, or take any action relative thereto.

ARTICLE 22. To see if the town will vote to accept the Ware Youth Center as the new leasees of the building on East Street formerly occupied by the (Boy Scouts of America) Ware Scouters, or take any action relative thereto.

ARTICLE 23. To see if the town will vote to continue the Special Insurance Committee for another year with the same powers and duties given it in 1941, or take any action relative thereto.

ARTICLE 24. To see if the town will vote to pay the regular salary to permanent town employees for a

period not exceeding 15 days in cases where said employees are called to active duty with the armed forces (State or National) for summer training, and appropriate a sum of money from available funds for said purposes, or take any action relative thereto.

ARTICLE 25. To see if the town will vote to accept Sec. 16c of Chapter 147 of the General Laws which provides that members of the Police Department shall be excused from duty for two days out of every seven without loss of pay, or take any action relative thereto.

ARTICLE 26. To see if the town will vote to raise and appropriate a sum of money for remodeling, reconstructing or making extraordinary repairs to the Junior-Senior High School Building and determine how the appropriation will be raised, whether by transfer from available funds, borrowing or otherwise, or take any action relative thereto; this work is to be under the supervision of the school committee.

ARTICLE 27. To see if the town will accept as a town way a private way heretofore known as Dugan Road leading from Palmer Road, Route 32, at about Station 22 plus 68 of the State layout, running northerly 2135 feet, as laid out by the Selectmen a report of which has heretofore been filed with the Town Clerk, and authorize the taking of land for the lay-out of said way, in accordance with the terms of said report, under Chapter 82, Sec. 22 of the General Laws, and raise and appropriate any sum of money to be expended in connection therewith.

ARTICLE 28. To see if the town will accept as a town way a private way heretofore known as Demond Avenue, beginning at Mechanic Street and running easterly about 445 feet, as laid out by the Selectmen a report of which has heretofore been filed with the Town Clerk, and authorize the marking of land for the layout of said way, in accordance with the terms of said report, under Chapter 82, Sec. 22 of the General Laws, and raise and appropriate any sum of money to be expended in connection therewith.

ARTICLE 29. To see if the town will raise and appropriate the sum of five thousand (\$5,000.,) dollars under the provisions of Chapter 90; four thousand (\$4,000.,) dollars of which is to be expended for continuation of Greenwich Road; one thousand (\$1,000.,) dollars for maintenance of Chapter 90 Roads, or take any action relative thereto.

ARTICLE 30. To see if the town will raise and appropriate the sum of two thousand five hundred (2,500.,) dollars for resurfacing Routes 9 & 32 on East Street, or take any action relative thereto.

ARTICLE 31. To see if the town will accept as a town way, a private way heretofore known as Richfield avenue which extends 450 southerly, as laid out by the Selectmen, a report of which has heretofore been filed with the Town Clerk, and authorize the taking of land for the lay-out of said way, in accordance with the terms of said report, under Chapter 82, Sec. 22 of the General Laws, and raise and appropriate any sum of money to be expended in connection therewith.

ARTICLE 32. To see if the town will accept the report and the location recommended by the Ware Committee for Selection of North Side Elementary School Site, or take any action relative thereto.

ARTICLE 33. To see if the Town of Ware will vote to accept the provisions of Chapter 781 of the Acts of 1951, entitled "An Act relative to increasing the amounts of pensions and retirement allowances payable to certain former public employees."

ARTICLE 34. To see if the Town will accept the following bequests totaling four thousand three hundred fifty (\$4,350.00) dollars bequeathed to it by:

Leon Beaudin	\$150.00
Bernice Konieczny	150.00
Mamuska & Meandzia Family	150.00
Stephanie Osucha	200.00
Frederick Chrzan	150.00

Julia Fijal	150.00
Joseph & Mary Sekula	100.00
Sophie Szoztek	150.00
Celia Pikul	100.00
Walter K. Pajak	100.00
Stephanie Chrabaszc	150.00
Albert Kielion	150.00
Edward & Stephen Szablak	100.00
Michael Planeta	100.00
Adam & Ann Krystek	150.00
Baldyga Family	150.00
Peter A. Skoczylas	100.00
Rozalia Kier	100.00
Decnezy Sokolowski	50.00
Anna Rog	250.00
Ann Bzdula	150.00
Anthony Rozek	100.00
Joseph Pajak	150.00
Stanley Lebida	100.00
Tenczar & Tombor	150.00
Malgorzatha Jablonka	150.00
Anthony Tombor	150.00
Joseph Klek, Est.	150.00
Karolina Rymarski	150.00
Katarzyna Skzolt	150.00
Frank M. Cebula	150.00
Anastacia Dubiel	100.00
Edward Tenczar	50.00

\$4,350.00

the same to be deposited in any Massachusetts Savings Bank, the income to be expended for the Perpetual Care of Burial Lots in St. Mary's Cemtery in Ware, Mass.

ARTICLE 35. To see if the town will accept the following bequests totaling five hundred fifty (\$550.00) dollars bequeathed to it by:

Edna M. Zwald	\$125.00
Mrs. E. H. Minney	125.00
Flora Lamb	125.00
Russell Wilson	75.00
Michael Burke	50.00
Martin Hutchins	50.00

\$550.00

the same to be deposited in any Massachusetts Savings Bank, the income to be expended for the Perpetual Care of Burial Lots in the Aspen Grove Cemetery in Ware, Mass.

ARTICLE 36. To see if the town will accept Sec. 69, Chapter 152 of the General Laws (Ter. Ed) and any amendments thereto which provides for workmen's compensation insurance for all laborers, workmen and mechanics of the town excepting members of a police of fire force, or take any action relative thereto.

ARTICLE 37. To see if the town will authorize the Committee appointed for the selection of a north side eight room elementary school site, to acquire by purchase or otherwise certain tracts of land; and to raise and appropriate a sum not exceeding 3500 dollars in addition to any money on hand of said above mentioned committee: said money to be used for the purchase price of land and also the improvement of land, or take any action relative thereto.

ARTICLE 38. To see if the town will accept as a town way a private way located in the rear of the frame dwellings on Canal Street, as laid out by the Selectmen, a report of which has heretofore been filed with the Town Clerk, and authorize the taking of land for the lay-out of said way, in accordance with the terms of said report, under Chapter 82, Sec. 22 of the General Laws, and raise and appropriate any sum of money to be expended in connection therewith.

ARTICLE 39. To see if the Town of Ware will vote to accept the provisions of Chapter 820 of the Acts of 1950, entitled "An Act providing for an increase in the annual amounts of certain pensions, retirement allowances, annuities and other benefits payable by the Commonwealth and its political subdivisions to certain former employees and persons claiming under them."

ARTICLE 40. To see if the town will raise and appropriate any sum of money for the repair of the Old

Gilbertville Road, from the farm of Mary E. Sullivan to the farm of Charles J. Homans or take any action relative thereto.

ARTICLE 41. To see if the town will vote to discontinue the Playground Committee which was formed by a vote of the town on July 30, 1934, in accordance with Chapter 45, Sec. 14, C. L. (Ter Ed.)

ARTICLE 42. To see if the town will vote to raise and appropriate a sum of money for the purpose of extending water mains of not less than six in diameter, determine whether the money shall be provided for by appropriation from water department surplus or by the issuance of a loan under Chapter 44, General Laws, or take any action relative thereto.

ARTICLE 43. To see if the town will vote to authorize the Board of Selectmen to purchase a 750 gallon pumper for the Fire Department at a cost not to exceed \$18,000 and determine whether the money shall be provided by borrowing or otherwise, or take any action relative thereto.

And you are directed to serve this warrant by posting up attested copies thereof at the Town Hall, at the Post Office, and at the Meeting House of the First Parish in this Town, all within said Town of Ware, seven days at least before the time of said meeting, and by publishing an attested copy thereof in the Ware River News, a newspaper published in said town, three days at least before said meeting, and make due return of this warrant, with your doings thereon, to the Town Clerk of Ware on or before the time of said meeting.

Given under our hands at Ware this twenty-second day of January 1952.

Anthony J. Tombor

Robert C. Bourdeau

Milton L. Jordan

Selectmen of the Town of Ware

Stephen A. Pilch

Constable of Ware

Appropriations

To the Voters of the Town of Ware:

The problems facing the Appropriation Committee this year were similar in most respects to those of 1951. The continuing inflation brought forth requests for additional funds from nearly all departments. Petitions for new equipment, water main extensions and major building repairs were numerous, and it was sometimes difficult to draw a line of distinction between progress and economy.

With regard to salaries and wages, the Committee has recommended increases for nearly all full-time employees; raises for part-time town employees were approved where the Committee felt that past inequities should be adjusted.

The purchase of new equipment was recommended in those instances in which it was felt that the working efficiency of the particular department necessitated the purchase, and/or the price of replacement would be less expensive than continual costly repairs.

The Appropriation Committee, finding no legitimate reason to alter the request, has recommended the School budget as submitted by the School Committee. In connection with the extensive repairs to the High School building, our Committee was unanimous in favoring such an expenditure.

Because of the great increase in home building, both accomplished and anticipated, our public hearing brought forth an unusual number of requests for water main extensions. With a view toward the need of these extensions and the expected increase in water and real estate tax revenues, the Committee deemed it advisable to give its approval. In the case of the Greenwich Rd. extension by far the most costly, it would seem imperative to keep the water main ahead of the road rebuilding.

A new policy was initiated this year whereby the Board of Selectmen appeared before the Appropriation Committee to present the budget requests, together with their own recommendations, of the various Town Departments under their control. This method seemed to be more expedient and thorough, in that the budgets as submitted by the Department heads were subject to screening by both the Selectmen and this Committee.

Although not within the scope of the Appropriations Committee's authority, we would like to make the following recommendations:

1. that a survey be made of street lighting with regard to traffic, both pedestrian and vehicular.
2. that serious consideration be given to a re-assessment of real estate in the Town, said revaluation to be done by some professional firm engaged in that business. The primary purpose would not be to increase taxes so much as to correct existing inequalities.

Respectfully submitted,
 Appropriation Committee
 John T. Casey, Chairman
 Henri C. Bernard
 Robert Campbell
 Leo G. Dubois
 Roland W. Gravel
 Julian Knapp
 Adrian J. Phaneuf
 Casimir Skibinski

Town Meeting Warrant

COMMONWEALTH OF MASSACHUSETTS

Hampshire, ss.

To Stephen A. Pilch, one of the Constables of the Town of Ware,

GREETING:

In the name of the Commonwealth of Massachusetts, you are required to notify and warn the Inhabitants of the Town of Ware qualified to vote in the election of town officers and town affairs, to meet at the Town Hall in said Ware, on Monday, the fourth day of February, 1952, at six o'clock in the forenoon at which time the polls will be opened (and they may be closed at eight o'clock in the evening,) then and there to act on the following articles, viz:—

ARTICLE 1. To choose a Moderator to preside at said meeting.

ARTICLE 2. To choose three Selectmen, one Town Treasurer, one Assessor for three years, one member of the School Committee for three years, one Water Commissioner for three years, one Collector of Taxes for one year, one member of the Board of Health for three years, one Park Commissioner for three years, one Cemetery Commissioner for three years, one Tree Warden for one

year, and one member of Playground Committee for three years.

ARTICLE 3. To choose all necessary officers.

ARTICLE 4. To hear the reports of the Selectmen, Board of Public Welfare, Town Treasurer, School Committee, Water Commissioners, Assessors, Board of Health, Cemetery Commissioners, Park Commissioners, Auditors, Highway Surveyor, Town Clerk, Board of Trustees of Soldiers' Memorials, and other town officers, and act thereon.

ARTICLE 5. To hear the reports of Committees and act thereon.

ARTICLE 6. To see if the town will vote to raise and appropriate such sums of money as may be necessary to defray the expenses of the town for the ensuing year.

ARTICLE 7. To see if the town will vote to fix the salary and compensation of all elected officers of the town as provided by Section 108, Chapter 41, General Laws, as amended.

ARTICLE 8. To see if the town will appropriate the dog fund, or take any action relative thereto.

ARTICLE 9. To see if the town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1952 and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, of the General Laws.

ARTICLE 10. To see if the town will vote that the consideration of Article 3 and all subsequent articles in the Warrant except this article be postponed to a later date to be fixed by the meeting and that when the polls are closed the meeting stand adjourned to such date and hour.

ARTICLE 11. To see if the town will appropriate a sum of money from the Parking Meter Fund, for the enforcement and maintenance of parking meters, or take any action relative thereto.

ARTICLE 12. To see if the town will vote to raise and appropriate a sum of money for Band Concerts to be given at the Memorial Bandstand in Grenville Park, this summer, under the supervision of the Board of Selectmen, or take any action relative thereto.

ARTICLE 13. To see if the town will vote to accept the report of the by-law committee and adopt the by-laws in the printed report of said committee, with such changes as the town may vote, and further that all existing by-laws now in effect be repealed and revoked upon the effective date of the by-laws adopted at this meeting, or take any action relative thereto.

ARTICLE 14. To see if the town will vote to continue the Special Committee chosen by the Moderator at the Annual Town Meeting 1948, which was to review recommendations for storm sewers, flood protection program and sewerage disposal, with the same powers given them by vote at the 1951 Annual Town Meeting, or take any action relative thereto.

ARTICLE 15. To see if the town will vote to authorize the Selectmen to appoint 7 citizens to study and recommend the advisability of establishing a Department of Public Works, and to raise and appropriate a sum of money for said committee, or take any action relative thereto.

ARTICLE 16. To see if the town will vote to appropriate from funds on hand and from the Water Department receipts of 1951 for payment of such annual payments and interest as may become due on the notes or bonds issued by the Town of Ware for use of the Water Department in the year 1938 or subsequently.

ARTICLE 17. To see if the town will vote to authorize the incurring of liabilities by the Board of

Water Commissioners for the expenses of the Water Department for maintenance, equipment, engineering, construction, and the purchase of right of way in or over lands, not exceeding forty-five thousand twenty (\$45,020.00) dollars and appropriate the Department's unexpended balance and the receipts of the year therefor, or raise and appropriate any sum of money for such purpose.

ARTICLE 18. To see if the town will vote to raise and appropriate the sum of \$1400., to relocate a sewer of not less than 6" in diameter with 3 manholes on Chestnut Street, from Starodoj property to Elm Street, a distance of approximately 450 feet, or take any action relative thereto.

ARTICLE 19. To see if the town will raise and appropriate the sum of \$5,000., to hire someone to collect ashes, refuse and rubbish, at least once every two weeks in the town of Ware, or take any action relative thereto.

ARTICLE 20. To see if the town will vote to purchase the Theodore DeVirgilis building on the westerly side of North Street in Ware, for a sum not greater than twenty thousand (\$20,000.) dollars or take any action relative thereto.

ARTICLE 21. To see if the town will vote to sell the town scale, or take any action relative thereto.

ARTICLE 22. To see if the town will vote to accept the Ware Youth Center as the new leasees of the building on East Street formerly occupied by the (Boy Scouts of America) Ware Scouters, or take any action relative thereto.

ARTICLE 23. To see if the town will vote to continue the Special Insurance Committee for another year with the same powers and duties given it in 1941, or take any action relative thereto.

ARTICLE 24. To see if the town will vote to pay the regular salary to permanent town employees for a

period not exceeding 15 days in cases where said employees are called to active duty with the armed forces (State or National) for summer training, and appropriate a sum of money from available funds for said purposes, or take any action relative thereto.

ARTICLE 25. To see if the town will vote to accept Sec. 16c of Chapter 147 of the General Laws which provides that members of the Police Department shall be excused from duty for two days out of every seven without loss of pay, or take any action relative thereto.

ARTICLE 26. To see if the town will vote to raise and appropriate a sum of money for remodeling, reconstructing or making extraordinary repairs to the Junior-Senior High School Building and determine how the appropriation will be raised, whether by transfer from available funds, borrowing or otherwise, or take any action relative thereto; this work is to be under the supervision of the school committee.

ARTICLE 27. To see if the town will accept as a town way a private way heretofore known as Dugan Road leading from Palmer Road, Route 32, at about Station 22 plus 68 of the State layout, running northerly 2135 feet, as laid out by the Selectmen a report of which has heretofore been filed with the Town Clerk, and authorize the taking of land for the lay-out of said way, in accordance with the terms of said report, under Chapter 82, Sec. 22 of the General Laws, and raise and appropriate any sum of money to be expended in connection therewith.

ARTICLE 28. To see if the town will accept as a town way a private way heretofore known as Demond Avenue, beginning at Mechanic Street and running easterly about 445 feet, as laid out by the Selectmen a report of which has heretofore been filed with the Town Clerk, and authorize the marking of land for the layout of said way, in accordance with the terms of said report, under Chapter 82, Sec. 22 of the General Laws, and raise and appropriate any sum of money to be expended in connection therewith.

ARTICLE 29. To see if the town will raise and appropriate the sum of five thousand (\$5,000.,) dollars under the provisions of Chapter 90; four thousand (\$4,000.,) dollars of which is to be expended for continuation of Greenwich Road; one thousand (\$1,000.,) dollars for maintenance of Chapter 90 Roads, or take any action relative thereto.

ARTICLE 30. To see if the town will raise and appropriate the sum of two thousand five hundred (2,500.,) dollars for resurfacing Routes 9 & 32 on East Street, or take any action relative thereto.

ARTICLE 31. To see if the town will accept as a town way, a private way heretofore known as Richfield avenue which extends 450 southerly, as laid out by the Selectmen, a report of which has heretofore been filed with the Town Clerk, and authorize the taking of land for the lay-out of said way, in accordance with the terms of said report, under Chapter 82, Sec. 22 of the General Laws, and raise and appropriate any sum of money to be expended in connection therewith.

ARTICLE 32. To see if the town will accept the report and the location recommended by the Ware Committee for Selection of North Side Elementary School Site, or take any action relative thereto.

ARTICLE 33. To see if the Town of Ware will vote to accept the provisions of Chapter 781 of the Acts of 1951, entitled "An Act relative to increasing the amounts of pensions and retirement allowances payable to certain former public employees."

ARTICLE 34. To see if the Town will accept the following bequests totaling four thousand three hundred fifty (\$4,350.00) dollars bequeathed to it by:

Leon Beaudin	\$150.00
Bernice Konieczny	150.00
Mamuska & Meandzia Family	150.00

Malgorzatha Jablonka	150.00
Anthony Tombor	150.00
Joseph Klek, Est.	150.00
Karolina Rymarski	150.00
Katarzyna Skzolt	150.00
Frank M. Cebula	150.00
Anastacia Dubiel	100.00
Edward Tenczar	50.00

\$4,350.00

the same to be deposited in any Massachusetts Savings Bank, the income to be expended for the Perpetual Care of Burial Lots in St. Mary's Cemtery in Ware, Mass.

ARTICLE 35. To see if the town will accept the following bequests totaling five hundred fifty (\$550.00) dollars bequeathed to it by:

Edna M. Zwald	\$125.00
Mrs. E. H. Minney	125.00
Flora Lamb	125.00
Russell Wilson	75.00
Michael Burke	50.00
Martin Hutchins	50.00

\$550.00

the same to be deposited in any Massachusetts Savings Bank, the income to be expended for the Perpetual Care of Burial Lots in the Aspen Grove Cemetery in Ware, Mass.

ARTICLE 36. To see if the town will accept Sec. 69, Chapter 152 of the General Laws (Ter. Ed) and any amendments thereto which provides for workmen's compensation insurance for all laborers, workmen and mechanics of the town excepting members of a police of fire force, or take any action relative thereto.

ARTICLE 37. To see if the town will authorize the Committee appointed for the selection of a north side eight room elementary school site, to acquire by purchase or otherwise certain tracts of land; and to raise and appropriate a sum not exceeding 3500 dollars in addition to any money on hand of said above mentioned committee: said money to be used for the purchase price of land and also the improvement of land, or take any action relative thereto.

ARTICLE 38. To see if the town will accept as a town way a private way located in the rear of the frame dwellings on Canal Street, as laid out by the Selectmen, a report of which has heretofore been filed with the Town Clerk, and authorize the taking of land for the lay-out of said way, in accordance with the terms of said report, under Chapter 82, Sec. 22 of the General Laws, and raise and appropriate any sum of money to be expended in connection therewith.

ARTICLE 39. To see if the Town of Ware will vote to accept the provisions of Chapter 820 of the Acts of 1950, entitled "An Act providing for an increase in the annual amounts of certain pensions, retirement allowances, annuities and other benefits payable by the Commonwealth and its political subdivisions to certain former employees and persons claiming under them."

ARTICLE 40. To see if the town will raise and appropriate any sum of money for the repair of the Old

Gilbertville Road, from the farm of Mary E. Sullivan to the farm of Charles J. Homans or take any action relative thereto.

ARTICLE 41. To see if the town will vote to discontinue the Playground Committee which was formed by a vote of the town on July 30, 1934, in accordance with Chapter 45, Sec. 14, C. L. (Ter Ed.)

ARTICLE 42. To see if the town will vote to raise and appropriate a sum of money for the purpose of extending water mains of not less than six in diameter, determine whether the money shall be provided for by appropriation from water department surplus or by the issuance of a loan under Chapter 44, General Laws, or take any action relative thereto.

ARTICLE 43. To see if the town will vote to authorize the Board of Selectmen to purchase a 750 gallon pumper for the Fire Department at a cost not to exceed \$18,000 and determine whether the money shall be provided by borrowing or otherwise, or take any action relative thereto.

And you are directed to serve this warrant by posting up attested copies thereof at the Town Hall, at the Post Office, and at the Meeting House of the First Parish in this Town, all within said Town of Ware, seven days at least before the time of said meeting, and by publishing an attested copy thereof in the Ware River News, a newspaper published in said town, three days at least before said meeting, and make due return of this warrant, with your doings thereon, to the Town Clerk of Ware on or before the time of said meeting.

Given under our hands at Ware this twenty-second day of January 1952.

Anthony J. Tombor
Robert C. Bourdeau
Milton L. Jordan
Selectmen of the Town of Ware

A True Copy:

Stephen A. Pilch
Constable of Ware

Appropriations

To the Voters of the Town of Ware:

The problems facing the Appropriation Committee this year were similar in most respects to those of 1951. The continuing inflation brought forth requests for additional funds from nearly all departments. Petitions for new equipment, water main extensions and major building repairs were numerous, and it was sometimes difficult to draw a line of distinction between progress and economy.

With regard to salaries and wages, the Committee has recommended increases for nearly all full-time employees; raises for part-time town employees were approved where the Committee felt that past inequities should be adjusted.

The purchase of new equipment was recommended in those instances in which it was felt that the working efficiency of the particular department necessitated the purchase, and/or the price of replacement would be less expensive than continual costly repairs.

The Appropriation Committee, finding no legitimate reason to alter the request, has recommended the School budget as submitted by the School Committee. In connection with the extensive repairs to the High School building, our Committee was unanimous in favoring such an expenditure.

Because of the great increase in home building, both accomplished and anticipated, our public hearing brought forth an unusual number of requests for water main extensions. With a view toward the need of these extensions and the expected increase in water and real estate tax revenues, the Committee deemed it advisable to give its approval. In the case of the Greenwich Rd. extension by far the most costly, it would seem imperative to keep the water main ahead of the road rebuilding.

A new policy was initiated this year whereby the Board of Selectmen appeared before the Appropriation Committee to present the budget requests, together with their own recommendations, of the various Town Departments under their control. This method seemed to be more expedient and thorough, in that the budgets as submitted by the Department heads were subject to screening by both the Selectmen and this Committee.

Although not within the scope of the Appropriations Committee's authority, we would like to make the following recommendations :

1. that a survey be made of street lighting with regard to traffic, both pedestrian and vehicular.
2. that serious consideration be given to a re-assessment of real estate in the Town, said revaluation to be done by some professional firm engaged in that business. The primary purpose would not be to increase taxes so much as to correct existing inequalities.

Respectfully submitted,
Appropriation Committee
John T. Casey, Chairman
Henri C. Bernard
Robert Campbell
